

Atsuya Tanaka

Front-End Developer

Highly motivated Front-end developer with a genuine love for software development. Learning and growing as a developer is important to me and I am currently working on 3+ front-end projects for my diploma program. I am excellent at working in teams and enjoy collaboration with peers. Would love to contribute my knowledge, skills, and abilities in order to reach all goals.

Skills

Languages : Javascript, Typescript, HTML, CSS, SCSS, SQL

Framework&Libraries : React, Redux, Next.JS NodeJS, Express, Socket.io, Styled Components, Material UI, Bootstrap

Database : MongoDB, Firebase, PostgreSQL

Project

Matching app: React, Node.js ,Express, MongoDB, Socket.io (Back end) Oct 20 - Current

- Give opportunity to create new network for student in CCCCC college
- Similar to basic matching app, however it is more casual
- Implemented real time chat tool by Socket.io

ToDoList : React + Typescript, FireBase, Styled-components in 2 weeks

- Simple and useful web application for anyone
- Implemented CRUD to this application
- When user clicks the checkbox, todo list can not be able to edit and will change color as a finished task

Doctor appointment : React.js, Redux, MongoDB, Firebase Group work (Front end) in 6 weeks

- Full stack application for connecting doctor and patient
- Teaming up for four teammates
- MongoDB is for database, Firebase handles only authentication

Cookit : Next.js + Typescript, MongoDB Group work (Front end and Back end) in 4 weeks

- Useful full stack application for user who wants to save time thinking about their meals.
- Using recipe resources from spoonacular API
- Fridge page can be able to manage user's ingredients in their fridge

LinkTree : React

- Link Tree is link organized web application
- Fetching repository data from my GitHub page by using GitHub API
- Two primary functions which are filter and search bar

Experience

Pronto(Cafe and Bar)

Server and kitchin I 2019 – 2021

- Paid attention when taking orders in order to ensure accuracy
- Interacted with customers with a smile no matter how busy we were
- Helped co-workers and customers with problem solving different issues and made sure all customers were happy at all times

Education

Cornerstone International Community College BC Vancouver 2021-Current
(Web & Mobile App Development)

Otemon Gakuin University 2017-2021

Bachelor of international liberal arts.
